Says Vinol, our Cod Liver and  
Iron Tonic, made her eat better,  
sleep better and feel better.

**Mrs. Greenwald's Letter**

Centralia, Ill.—"I was run-down,  
could not eat or sleep, and my lungs  
pained me a good deal so I could hardly  
do my housework. Vinol built me up  
after all other medicines had failed so  
now I eat better, sleep better and feel  
better in every way. Vinol is certainly  
good for a run-down system."—Mrs.  
S. E. GREENWALD.

Such letters prove how nervous,  
anemic, run-down, overworked men,  
women and children increase their ap-  
petites, strength and endurance by taking  
Vinol. That is because it contains beef  
and cod liver peptones, iron and man-  
ganese peptonates—the greatest tonics  
known.
